## Because of Your Support

### Daily Hope Was Ready to Walk Through the Doors God Opened

Troublesome times, such as these, will often prepare people's hearts to receive Jesus. Daily Hope was able to walk through the doors God opened this year because of your generosity. It is your faithful giving that enables us to respond quickly to new requests for Bible teaching.

See how God is using Daily Hope . . .

- A significant number of TV and media outlets interviewed Rick and Kay about their faith during this crisis. This means they were able to share the Good News with millions of people who do not know Jesus.
- Premier Christian Radio in the United Kingdom began broadcasting Daily Hope in March. They reach over 1 million people.

- Fourteen radio stations across Africa began airing Pastor Rick's current teaching.
- As the COVID-19 pandemic took hold, The Fish, one of the largest Christian music station networks, began airing Pastor Rick's messages. These music stations reach millions of people every day, and they do not typically air Bible teaching.

## You and Daily Hope Have Impacted People **Around the World** for Jesus!

*“I was going through some rough times and started having doubts about my Islamic faith. [My friend] asked me to listen to Daily Hope, and it was so meaningful to me. I am proud to say that I have devoted my life to Jesus Christ . . . and I will continue to listen and be moved by your daily inspiration through the Daily Hope broadcasts!”*

*“Praise be to GOD—I listened to this morning’s lesson and it touched my heart, soul, and spirit. I have experienced depression and anxiety all my life and I still do. I am in the Darkness searching for Treasures, I have found some and I know there is more to find. I will find them ALL one day, because God is with me always.”*

*“I recently started a 12-step program. As I searched for a way to reconnect with the Lord, I came upon your Daily Hope podcast and blindly picked a message from early July. The very first one I listened to was on Romans 7 which is all about why do I do the wrong thing when I don’t want to, when I know it’s wrong, what’s wrong with me? I’ve since subscribed to your daily message e-mail and continue listening to your podcasts when I go for my morning walk. The spiritual growth I’ve achieved in the relatively short period of time is nothing short of remarkable, a miracle, a blessing and has helped turn my life around. I understand why God has allowed me to suffer through my addiction and that the path to recovery is through Jesus Christ.”*

*“I listen to Pastor Rick’s Daily Hope on the web and read his Daily Hope devotional each day. His messages helped me go through my toughest time two years ago during my divorce; God, through Pastor Rick, saved me and pulled me through. I also used what I learned from Pastor Rick during the Bible studies to help others. Pastor Rick and Daily Hope touched my life and made a real impact on my life. I am so thankful.”*

*“I give thanks and praise to Jesus for ‘custom making’ support and comfort through your Daily Hope. To calm my heart and focus on Jesus I turn to Daily Hope and your sermons. Your message about Jonah has been incredible during lockdown in South Africa. One more time it seems you are speaking just to me! I am grateful and thank God for the work you do for so many.”*
