

## A Note From Pastor Rick

**M**any people will look back at 2020 and see a year filled with disappointments and losses. But during this same time God was doing amazing work—and he's done it through friends like you!

Because of faithful friends and partners like you, **God is moving through Daily Hope** to reach more than 34 million people every month with the hope of Jesus Christ and the truth of the Gospel. In fact, someone is listening to our broadcast right now and getting to know Jesus!

God opened the doors for new ministry opportunities last year, and look what he did through your generosity:

- Daily Hope shared the hope of Christ with more people than ever before as our reach grew 55% from 22 million people to **34 million** people every month.
- Daily Hope is now reaching people in **193 of 195 countries** through the Internet, 493 radio stations across the US, and 53 international radio stations.
- Daily Hope was able to distribute Pastor Rick's relevant, hopeful teaching worldwide to help people navigate the pandemic crisis.

And this is just the beginning . . .

I've included personal testimonies from people whose lives have been transformed because of your generosity to help share God's love. Ming listens online and wrote to say:

*"I listen to Pastor Rick's Daily Hope on the web and read his Daily Hope devotional each day. His messages helped me go through my toughest time two years ago during my divorce; God, through Pastor Rick, saved me and pulled me through. I also used what I learned from Pastor Rick during the Bible studies to help others. Pastor Rick and Daily Hope touched my life and made a real impact on my life. I am so thankful."*

—Ming

That's the kind of difference you're making as **you help people hear God's transforming Word**. And that's why I look forward to working alongside you to bring hope to many more people in 2021.

I'm grateful for your partnership!

## Because of Your Support

# Daily Hope Was Ready to Walk Through the Doors God Opened

**T**roublesome times, such as these, will often prepare people's hearts to receive Jesus. It was your faithful giving that enabled Daily Hope to walk through the doors God opened last year allowing us to respond quickly to new requests for Bible teaching.

### Teaching for a World in Chaos

For more than 30 weeks, Pastor Rick taught *A Faith That Works When Life Doesn't*. In his sermon series, based on the book of James, Pastor Rick shared practical steps to deal with fear, anxiety, and stress during difficult times. The Daily Hope team doubled its effort by not only providing regularly scheduled programming but also simultaneously producing Pastor Rick's James series into several formats. This enabled Daily Hope to share Pastor Rick's vital teaching when the world needed it.

### Television Reaches a Whole New Audience

For the very first time, Daily Hope created a 12-week TV miniseries which aired on the Trinity Broadcasting Network (TBN). This series **brought hope, comfort, and God's peace to hundreds of thousands of people.**

### God Opened Doors Around the Globe

Radio stations throughout the world asked to share Pastor Rick's current teaching with their audiences. Daily Hope was able to respond by creating special Sunday programming that allowed these stations to **share the Word of God with a world trying to navigate the pandemic.**

- **Premier Radio in London, England began airing the Daily Hope program in March—reaching over 1 million people every week.**
- **KKLA in Los Angeles and 14 radio stations in Africa began airing Pastor Rick's current teaching.**
- **As the COVID pandemic took hold, "The Fish," one of the largest Christian music station networks, began airing Pastor Rick's messages. These music stations reach millions of people every day, and they do not typically air Bible teaching.**

### Care Ministry Blesses Thousands

In an effort to check in on the welfare of partners during what was a very trying year for most, the Daily Hope team began calling, connecting, and praying with thousands of people. This outreach blessed both partners and staff.

### Rick and Kay Warren Share the Good News

Last year, Rick and Kay were able to **share the Gospel with millions of people** who do not know Jesus as they were interviewed by many TV and media outlets about their faith during the pandemic.

*"Then I heard the voice of the Lord saying, 'Whom shall I send? And who will go for us?' And I said, 'Here am I. Send me!'" Isaiah 6:8 (NIV)*

# You and Daily Hope Have Impacted People Around the World for Jesus!

Bob, a single dad raising two boys who was recently diagnosed with leukemia, wrote . . . *“Just thinking of the impact Pastor Rick and the Daily Hope ministry has had brings me to heartfelt tears of joy! So many times, the messages received are the messages needed at just the right time! It’s with great enthusiasm that I get to pray for Daily Hope where so many people are helped, nourished, and brought to the Kingdom of God. What a joy that is. Thank you with all of my heart for all you do each and every day!”*

—Bob

*“I have been a Christian all of my life but have felt lost for the past few years. A friend of mine told me about your Daily Hope emails and I have been getting them for about a month now. My relationship with God has grown because of you and the Daily Hope ministry. I now listen to your podcast each day on my way to or from work. I love it. It’s helped me as a mother, wife, boss, and friend. Thank you, thank you, thank you!”*

—Marla

*“There aren’t enough words to thank you for your Daily Hope! I’ve been listening to you daily for about a year now and I can’t tell you how much it has enriched my life! I have 3 grown children and 2 of my sons have had addiction to drugs. My youngest son loves God and has a strong faith but still struggles with relapses. Your messages encourage him to not give up. Thanks to your broadcast! There aren’t enough words to thank you for Daily Hope!”*

## We Need YOU . . .

An Invitation  
From Pastor Rick

**Only the body of Christ can show people the way of Christ.** We must challenge everyone to be an ambassador for Christ, wherever they are. One drop of water doesn’t make a difference, but a million drops of water can turn a desert into a garden. To accomplish this, we must not neglect the power of individual followers of Jesus Christ.

Right now, you can help millions of people experience the hope of Jesus Christ by supporting Daily Hope. **Please, take time to pray and ask God how he would have you help contribute to this life-transforming work. I hope you’ll be moved to give generously.**

I am deeply, truly grateful for your prayers and your partnership!

*Pastor Rick*
